## DECREE

### IN THE NAME OF GOD. AMEN.

“Likewise, parishes which are too small should be united insofar as the situation demands it and circumstances permit.” St. Paul VI, Apostolic Letter *motu proprio, Ecclesiae Sanctae*, n. 21, (1), August 6, 1966

Changing demographics have affected the size and wealth of the Archdiocese of Chicago and the vitality of her parishes. This is particularly true in the City of Chicago itself, where the total population has decreased by nearly 20% since 1970, from 3,366,957 to an estimated 2,705,994 in 2018. The archdiocese has many vacant, old, and underused parochial buildings and fewer priests to pastor our faith communities.

According to the US Census Bureau, the Archdiocese of Chicago had an estimated total population of 5,881,250 in 2018. The 2018 *Anuario Pontificio* indicates our archdiocese had 345 parishes serving a Catholic population of 2,512,000: an average of 7,281 Catholics per parish. According to the same source, the Archdiocese of Los Angeles had a total population of 11,519,517, with 287 parishes for a Catholic population of 4,362,000: an average 15,199 Catholics per parish. For the Archdiocese of New York, the figures are 2,656,987 Catholics in 294 parishes: an average 9,037 Catholics per parish. A good number of our parishes were founded in the first half of the last century or earlier. Many were established for national, linguistic, or ethnic groups that no longer live in the archdiocese or in the neighborhoods where they once flourished.

Too many of our parishes have been unable to support themselves and have been receiving financial subsidies from the archdiocese. Between fiscal year 2012 and fiscal year 2018 these subsidies amounted to \$144,373,461.00, including \$38,171,840.00 to 106 parishes, and \$106,201,621.00 to 83 Catholic schools. In fiscal year 2019 our generous people contributed an additional \$4,448,745.00 to at least 78 of our parishes and \$13,511,371.00 to 76 Catholic schools in the archdiocese. We cannot continue this level of financial support for parishes and Catholic schools. Our hope is that our parishes will become more vital, that is, active centers of Christian discipleship, evangelical mission, scholarship, and charitable outreach. To achieve this hope, the parishes must be able to support themselves when possible.

Almost four years ago, inspired by the experience of St. Francis of Assisi before the cross of the ruined church of San Damiano, and by the Holy Father’s dream of “a missionary option ... capable of transforming everything” (Pope Francis, Apostolic Exhortation *Evangelii Gaudium*, n. 27, November 24, 2013), I announced the inauguration of *Renew My Church (RMC)*, a multi-year, intentional process aimed at obtaining and preserving the vitality of our parishes. It is my

intention that every parish of the Archdiocese of Chicago join with some of its neighbors and plan together for the future. Careful planning will create a menu of possible options for future vitality. We are identifying parishes likely to be reconfigured through pastoral coordination with neighboring parishes, divisions, unions, and other significant alterations.

This decree concerns a portion of the Lemont Grouping in the far southwest portion of Cook County adjacent to the boundaries of Will and DuPage Counties. Specifically, the grouping encompasses four parishes in the Village of Lemont. These parishes include St. James at Sag Bridge Parish (established 1833), 10600 South Archer Avenue, Lemont, Illinois 60439-9344; St. Patrick Parish (organized 1840), 200 East Illinois Street, Lemont, Illinois 60439-3612; St. Alphonsus Parish (church established 1867, established 1874 as personal parish for German-speaking Catholics), 210 East Logan Street, Lemont, Illinois 60439-4207; SS. Cyril and Methodius Parish (established 1882 as personal parish for Polish-speaking Catholics), 608 Sobieski Street, Lemont, Illinois 60439-4050.

In addition to these four parishes there are three additional quasi-parochial communities within the Village of Lemont or the adjacent Village of Willow Springs: Blessed Jurgis Matulaitis Lithuanian Catholic Mission (established 1990), 14911 127<sup>th</sup> Street, Lemont, Illinois 60439-7417; Blessed Anton Martin Slomsek Slovenian Catholic Mission (established 1994), 14246 Main Street, Lemont, Illinois 60439-0608; and Our Lady Mother of the Church Polish Mission (established 2003), 116 Hilton Street, Willow Springs, Illinois 60480. Here we focus on St. Alphonsus Parish and St. Patrick Parish, both in Lemont, Illinois.

Throughout 2019, the pastoral leadership and lay representatives from the four above mentioned parishes, met in an *RMC* grouping to consider the future vitality of their area of the archdiocese. The Grouping Team presented a Community Engagement and Planning Feedback Summary to the Archdiocesan Standards and Recommendations Commission, a group formed by lay and ordained representatives from across the archdiocese. With respect to the two parishes of our focus, the Commission proposed that St. Alphonsus Parish be extinguished as a personal parish and united with St. Patrick Parish in a single new juridic person, a territorial parish on the remaining territory of St. Patrick Parish.

The proposal is supported by the data and arguments mentioned herein or attached to this decree. Significant is the aggregate 47% decline in Sunday Mass attendance at St. Patrick Parish over the past 20 years, and a corresponding 14% decline at St. Alphonsus Parish. Recent Sunday Mass attendance has been 457 at St. Patrick Parish and 946 at St. Alphonsus Parish (in 2015 there was one German Mass each month, but today all the Masses at St. Alphonsus Church are in English). Sunday Mass attendance at St. Patrick Parish has been below the minimum recommended for vitality in this archdiocese for at least the last decade.

The total operating income of St. Patrick Parish in Fiscal Year 2018 was \$567,091.00, less than the recommended minimum income of \$750,000.00 for a single parish. In the same fiscal year, the operating income of St. Alphonsus Parish was \$800,459.00. While neither parish has an existing operating deficit or debt, data indicates the future of St. Patrick Parish is

jeopardized by low and diminishing Mass attendance and an operating income below the minimum necessary for full parish mission.

THEREFORE, know that I, Cardinal Blase J. Cupich, Archbishop of Chicago, according to the norms of canon 50, canon 127 §§1 & 3, canon 166, and canon 515 §2 of the Code of Canon Law, have before me the proposal of the Archdiocesan Standards and Recommendations Commission that St. Patrick Parish and St. Alphonsus Parish, both in Lemont, Illinois, be extinguished as separate juridic persons and united to form a single new territorial parish within the remaining boundaries of St. Patrick Parish. Further know that I convened the Presbyteral Council of the Archdiocese of Chicago on November 5, 2019, at St. Monica Parish, Chicago, Illinois, and there, after hearing the Presbyteral Council, receiving its vote of 35 for and none against the proposal, and invoking the Holy Spirit, I accepted the Presbyteral Council's advice and now

***decree the following:***
