Prot. N. 2021 RMC-15

DECREE

IN THE NAME OF GOD. AMEN.

Changing demographics have affected the size and wealth of the Archdiocese of Chicago and the vitality of her parishes. This is particularly true in the City of Chicago itself, where the total population fell by nearly 21% since 1970, from 3,366,957 to an estimated 2,686,530 in 2020. The archdiocese has many vacant, old, and underused parochial buildings and fewer priests to pastor our faith communities.

According to the US Census Bureau, the Archdiocese of Chicago (Cook and Lake Counties in Illinois) had an estimated total population of 5,881,250 in 2018. The 2018 *Annuario Pontificio* indicated our archdiocese had 345 parishes serving a Catholic population of 2,512,000: an average of 7,281 Catholics per parish. According to the same source, the Archdiocese of Los Angeles had a total population of 11,519,517, with 287 parishes for a Catholic population of 4,362,000: an average of 15,199 Catholics per parish. For the Archdiocese of New York, the figures were 2,656,987 Catholics in 294 parishes, an average 9,037 Catholics per parish. A good number of our parishes were founded in the first half of the last century or earlier. Many were established for national, linguistic, or ethnic groups that no longer reside in the archdiocese or in the neighborhoods where they once flourished.

Many of our parishes are unable or struggling to support themselves. Consequently, many have been receiving financial subsidies from the archdiocese. From fiscal year 2012 through fiscal year 2020, the Archdiocese of Chicago provided \$177,109,682.00 in support to parishes and Catholic schools: \$46,332,584.00 to 106 parishes and \$130,777,098.00 to 83 Catholic schools. This was an increase of \$14,777,155.00 over a single year: \$3,711,999.00 more to parishes and \$11,064,156.00 more to Catholic schools. Completely due to the generosity of the faithful people of the archdiocese and other gracious donors, these subsidies cannot continue at this high level, especially in times of enormous economic strain. Our mission is to convert our parishes, helping them to become more vital, that is, active centers of Christian discipleship, evangelical mission, scholarship, and charitable outreach. For this the parishes need a growing and stable membership and the financial means to support themselves.

Nearly six years ago, inspired by the experience of St. Francis of Assisi before the cross of the ruined church of San Damiano and the Holy Father's dream of "a missionary option ... capable of transforming everything" (Pope Francis, Apostolic Exhortation *Evangelii Gaudium*, n. 27, November 24, 2013), and with wide and continuing consultation among the clergy and lay faithful of the Archdiocese of Chicago, particularly in the Presbyteral Council, we embarked on the inauguration of *Renew My Church (RMC)*. This is our multi-year process aimed at converting our parishes for mission. It is the intention that every parish join with some of its

neighbors (groupings) to plan the future. Careful planning will create a menu of possibilities. We are identifying parishes to be reconfigured through pastoral coordination with neighboring parishes, divisions, unions, and other structural and governance changes.

This decree concerns two parishes located in Skokie, Illinois, and encompassing approximately 12 square miles of the five parish Edens Valley Grouping in North suburban Cook County. These two parishes are St. Peter Parish (established 1868), 8116 Niles Center Road, Skokie, Illinois 60077-2520; and the adjacent St. Lambert Parish (established from St. Peter Parish 1951), 8148 Karlov Avenue, Skokie, Illinois 60076-3226.

In Fiscal Year 2020 the pre-COVID-19 average Sunday Mass attendance at St. Peter Parish was 1,151 (100% English-speaking). The same year the average Sunday attendance at St. Lambert Parish was 1,039 (99% English and 1% Latin). The combined total average Sunday attendance at the two parishes was 2,190 in late 2019, this is a total decline of 35% over 20 years (from 3,372 to 2,190). At St. Peter Parish, the decline over the same 20-year period was 44% (from 2,073 to 1,151). At St. Lambert Parish, the decline was 20% (from 1,299 to 1,039).

In Fiscal Year 2019, St. Peter Parish had an operating surplus of \$119,058.00, capital needs of \$1,414,750.00, no church debt (alongside school debt of \$244,138.00), and savings of \$473,165.00. In the same fiscal year St. Lambert Parish had an operating deficit of \$30,561.00, capital needs of \$726,800.00, no church debt, and savings of \$14,203.00.

During Fiscal Year 2019 liturgical life outside Sunday Mass at St. Peter Parish included 60 funerals, five marriages, and 20 Baptisms. In the same period there were 16 funerals, three marriages, and 16 Baptisms at St. Lambert Parish. The combined totals for the two parishes are 76 funerals, eight marriages, and 36 Baptisms, about average in the Archdiocese of Chicago for funerals and below average for marriages and Baptisms. The ratio of total funerals to the combined total of marriages and Baptisms, 76/44, indicates an elderly population in the parishes. The median age throughout the Grouping is 45, compared to 37 for the archdiocese.

Following consultations last year with lay and clergy members of the parishes, including input from parishioners at large, a report was submitted to the Archdiocesan Standards and Recommendations Commission, a group of lay and clergy representatives from across the Archdiocese of Chicago. Recently, the Commission submitted its recommendations to the pastoral leadership of the archdiocese. Due to declining participation in Sunday Mass at both parishes, fewer diocesan and religious priests to serve our parishes (from 602 in 2010 to 541 in 2020), and significant capital needs at both parishes, changes are in order. The Church in this area will struggle financially and administratively to sustain more than one parish. For evangelization and discipleship to be the focus of future mission, the consolidation of resources under the leadership of a single pastor and pastoral team is needed.

THEREFORE, know that I, Cardinal Blase J. Cupich, Archbishop of Chicago, according to the norms of canon 50, canon 121, canon 127 §§1 & 3, canon 166, and canon 515 §2 of the

Code of Canon Law, have before me the proposal of the Archdiocesan Standards and Recommendations Commission, that the above-mentioned St. Peter Parish and St. Lambert Parish, both in the north suburban Village of Skokie, Illinois, be extinguished as separate juridic persons in the Church and united to form one new juridic person, a territorial parish within the combined territories of St. Peter Parish and St. Lambert Parish, with St. Peter Church to be designated the parish church. Know also, I convened the Presbyteral Council of the Archdiocese of Chicago *via* video conference over the internet on January 19, 2021. Then, after hearing the Presbyteral Council and receiving its vote of 32 for and four against the proposal, I accepted the Presbyteral Council's advice and now, invoking the Holy Spirit,

I decree the following:

1. Effective July 1, 2021, the above-mentioned St. Peter Parish and St. Lambert Parish shall be extinguished as separate juridic persons in the Church and united to form one new juridic person, a territorial parish within the combined territories of St. Peter Parish and St. Lambert Parish, the new parish to be called, *ad interim*, SS. Peter and Lambert Parish;
2. The missions of the two extinguished parishes will be subsumed into those of the new SS. Peter and Lambert Parish;
3. Each and all the parishioners of the two extinguished parishes, along with the faithful domiciled within the new parish boundaries, will be parishioners of the new SS. Peter and Lambert Parish;
4. The territory of the new SS. Peter and Lambert Parish will be as depicted and described on the map and in the document attached to this decree;
5. Subject to the intention of founders and donors, and with due regard for any acquired rights, the goods and patrimonial rights of the two extinguished parishes, together with any obligations with which they may be burdened, will be those of the new SS. Peter and Lambert Parish (see canon 121);
6. The churches of the extinguished St. Peter Parish and the extinguished St. Lambert Parish will both be churches of the new SS. Peter and Lambert Parish, retaining their own titles, and St. Peter Church shall be designated the parish church of the new parish;
7. The data submitted to the Presbyteral Council on this matter, together with the minutes of the Council meeting of January 19, 2021, are to be attached to this decree and will become available upon request to those eligible to receive them;
8. The sacramental records and other materials relevant to historical research pertaining to the two extinguished parishes will be collected and maintained at the St. Peter Church campus, unless otherwise determined by the expert staff of the Joseph Cardinal Bernardin Archives and Records Center of the Archdiocese of Chicago; and
