Prot. N. 2022 RPU-18

DECREE

IN THE NAME OF GOD. AMEN.

On March 18, 2022, following consultation with the Presbyteral Council of the Archdiocese of Chicago, I issued a decree establishing a new parish through the extinctive union of two neighboring parishes in South Suburban Cook County: St. Stanislaus Bishop and Martyr Parish, Posen, Illinois, and St. Christopher Parish, Midlothian, Illinois. The union of the two parishes was called, *ad interim*, St. Stanislaus Bishop and Martyr and St. Christopher Parish. The effective date of the extinctive union was July 1, 2022. By my decree of November 11, 2022, the union of the two parishes was given the permanent new name of St. Augustine Parish.

On September 22, 2022, after consulting with parish leadership, including members of the parish Unification Committee (a joint parish council), the Reverend Robinson Ortiz, pastor of the then St. Stanislaus Bishop and Martyr and St. Christopher Parish, discerned that continued use of both churches of his parish was not feasible. Consequently, he wrote to me and the Episcopal Vicar of his region of the archdiocese, asking that St. Stanislaus Bishop and Martyr Church of the now St. Augustine Parish be relegated to profane but not sordid use (*CIC* c. 1222 §2).

A church may be relegated to profane but not sordid use when, after hearing the presbyteral council, the diocesan bishop determines there is a “grave cause” indicating a church should no longer be used for divine worship and that the good of souls suffers no detriment from the relegation. A Definitive Sentence of the College of the Supreme Tribunal of the Apostolic Signatura given May 4, 1996, considered what constituted the grave causes required for the relegation to profane but not sordid use of a church belonging to a parish formed from the union of parishes (*Ministerium Iustitiae: Jurisprudence of the Supreme Tribunal of the Apostolic Signatura*, Montreal: W & L (2011): Prot. N. 24388/93 CA, pp. 526-527).

As related in the Definitive Sentence, a new parish formed from the extinctive union of five parishes sought to relegate three of its five churches to profane but not sordid use. The faithful who worshipped at one of these churches took recourse against the relegation of their church. The Supreme Tribunal found that the following conditions together constituted the grave cause required for relegation: (1) preservation of all the churches would impose an intolerable burden on the new parish; (2) the church in question was no longer of service to the pastoral care of the faithful due to changed circumstances; (3) the new parish was burdened from the beginning by a huge debt; (4) sale of the church would offer ready and effective assistance, otherwise lacking, to the urgent needs of the new parish; (5) the number of faithful

contributing to the support of the parish was diminishing; and (6) charity and other assistance to the poor should not be neglected to preserve a sacred building.

In this case it is established that (1) Retaining St. Stanislaus Bishop and Martyr Church as a place of divine worship, imposes a financial burden on the new St. Augustine Parish due to operational and maintenance expenses associated with the church. If maintained for parish use, the St. Stanislaus Bishop and Martyr Church campus will require \$1,908,600.00 in capital repairs, \$811,550.00 for the church alone.

(2) St. Stanislaus Bishop and Martyr Church is not needed for divine worship for the average of 457 Sunday worshippers regularly attending there in FY 2020 (before COVID-19). This number of worshippers is well accommodated in the 800-seat parish church of St. Christopher. .

(3) The most recent regular annual operating income from the former St. Stanislaus Bishop and Martyr Parish was \$131,582.00 (Fiscal Year 2021). Such an income is insufficient to help support the new parish while contributing to the foreseeable needs of maintaining St. Stanislaus Bishop and Martyr Church for worship.

(4) Sale or rental of St. Stanislaus Bishop and Martyr Church will benefit the mission of the new parish with ready cash proceeds. There will be immediate additional annual savings of at least \$120,000.00 from unspent regular maintenance expenses, and more from the \$1,908,600.00 in unspent capital repairs when the church campus is sold.

(5) The total number of faithful regularly worshipping on Sundays at St. Stanislaus Bishop and Martyr Church was 457 in October 2019 (Fiscal Year 2020), a more than 25% decline over 15 years from an attendance of 614 in October 2004.

(6) Preserving St. Stanislaus Bishop and Martyr Church for worship will result in continued and unnecessary operational and maintenance costs that will cripple the ability of new St. Augustine Parish to serve the poor, enhance its evangelical mission, and remain viable.

Finally, since March 2020, the arrival of the novel coronavirus pandemic of COVID-19 diminished some segments of the United States economy, materially and negatively impacting the financial well-being of the archdiocese, the new parish, and many poor and middle-class families. There is concern for the long-term economic survival of many institutions.

It is unreasonable to expect a parish formed from the extinctive union of two parishes to maintain a church it cannot afford and that is no longer needed for divine worship of the new parish. Furthermore, there are no parochial, archdiocesan, or other known sources of funds available to keep and maintain St. Stanislaus Bishop and Martyr Church as a place of Catholic worship. There is no governmental assistance for building or maintaining churches in the United States of America. The reasonable course is to relegate St. Stanislaus Bishop and Martyr Church of St. Augustine Parish to profane but not sordid use, selling or developing the property for the benefit of the new parish, its ministries, and charity.
