Prot. N. 2022 RPU-7

DECREE

IN THE NAME OF GOD. AMEN.

On March 11, 2021, following consultation with the Presbyteral Council of the Archdiocese of Chicago, I issued a decree extinguishing Santa Maria Addolorata Parish, Holy Innocents Parish, and St. Malachy + Precious Blood Parish, adjacent parishes in the West Town and Near West Side neighborhoods of the City of Chicago. Pursuant to the decree and effective July 1, 2021, the parishes were united to form one new juridic person, a territorial parish called, *ad interim*, Santa Maria Addolorata, Holy Innocents, and St. Malachy + Precious Blood Parish. By decree dated June 3, 2021, the new parish was renamed Blessed Maria Gabriella Parish.

On August 30, 2021, the Reverend Matthew Eyeran, pastor of Blessed Maria Gabriella Parish, after consulting members of the parish, discerned the continued use of Santa Maria Addolorata Church for worship was no longer feasible for the new parish. Consequently, he wrote me and the Episcopal Vicar of his region of the archdiocese, asking that Santa Maria Addolorata Church be relegated to profane but not sordid use (CIC c. 1222 §2).

A church may be relegated to profane but not sordid use when, after hearing the presbyteral council, the diocesan bishop determines there is a "grave cause" indicating a church should no longer be used for divine worship and that the good of souls suffers no detriment from the relegation. A Definitive Sentence of the College of the Supreme Tribunal of the Apostolic Signatura given May 4, 1996, considered what constituted the grave cause required for the relegation to profane but not sordid use of a church belonging to a parish formed from the union of parishes (Ministerium Iustitiae: *Jurisprudence of the Supreme Tribunal of the Apostolic Signatura*, Montreal: W & L (2011): Prot. N. 24388/93 CA, pp. 526-527).

As related in the Definitive Sentence, a new parish formed from the extinctive union of five parishes sought to relegate three of its five churches to profane but not sordid use. The faithful who worshipped at one of these churches took recourse against the relegation of their church. The Supreme Tribunal found that the following conditions together constituted the grave cause required for relegation: (1) preservation of all the churches would impose an intolerable burden on the new parish; (2) the church in question was no longer of service to the pastoral care of the faithful due to changed circumstances; (3) the new parish was burdened from the beginning by a huge debt; (4) sale of the church would offer ready and effective assistance, otherwise lacking, to the urgent needs of the new parish; (5) the number of faithful contributing to the support of the parish was diminishing; and (6) charity and other assistance to the poor should not be neglected to preserve a sacred building.

In this case it is established that (1) Retaining Santa Maria Addolorata Church of Blessed Maria Gabriella Parish as a place of divine worship, imposes a financial burden on the parish

from operational and maintenance expenses associated with the church. If maintained for parish use, the Santa Maria Addolorata Church campus will require more than \$1,005,000.00 in capital repairs, \$772,550.00 for the church alone. Moreover, Blessed Maria Gabriella Parish will have the burden of unnecessary administrative costs for maintaining a church it does not need.

(2) Santa Maria Addolorata Church is not needed for divine worship for the average of 400 Sunday worshippers regularly attending there in FY 2020 (before COVID-19). This number of worshippers is well accommodated in the other nearby churches of the parish, the parish church of St. Malachy at the St. Malachy + Precious Blood campus and Holy Innocents Church.

(3) On July 31, 2021, the combined debt of the Blessed Maria Gabriella Parish was \$665,000.00, all carried over from operation of St. Malachy School. This was offset by cash assets of \$1,800,000.00 on deposit. Proceeds from the Fiscal Year 2020 regular offertory collections at the former Santa Maria Addolorata Parish were \$65,156.00.

(4) Sale or rental of Santa Maria Addolorata Church and the other real property of the church campus will benefit the mission of Blessed Maria Gabriella Parish with ready cash proceeds. There will be immediate annual savings of \$65,000.00 on maintenance expenditures and more from the \$1,005,000.00 in unspent capital repairs.

(5) The average number of faithful regularly worshipping on Sundays at Santa Maria Addolorata Church was 400 in October 2019 (Fiscal Year 2020), a 49% decrease over 15 years, from 778 in October 2004. The average offertory collections decreased by nearly 40% over the same period, from \$107,257.00 to \$65,156.00.

(6) Preserving Santa Maria Addolorata Church for divine worship will result in continued and unnecessary operational and maintenance costs that will cripple the ability of Blessed Maria Gabriella Parish to serve the poor, enhance its evangelical mission, and remain viable.

Finally, since March 2020, the arrival of the novel coronavirus pandemic of COVID-19 diminished large parts of the United States economy, materially and negatively changing the financial well-being of the archdiocese, some of our parishes, and many poor and middle-class families. There is concern for the long-term economic survival of some institutions.

It is unreasonable to expect a new parish formed from the union of three parishes to maintain a church it cannot afford, does not need, and which is no longer useful for divine worship. Moreover, there are no parochial, archdiocesan, or other known sources of funds available to keep and maintain Santa Maria Addolorata Church as a place of Catholic worship. There is no governmental assistance for building or maintaining churches in the United States of America. The reasonable and safe course is to relegate Santa Maria Addolorata Church of Blessed Maria Gabriella Parish to profane but not sordid use, allowing it to be sold or otherwise developed for the benefit of the new parish, its ministries, and the work of charity.

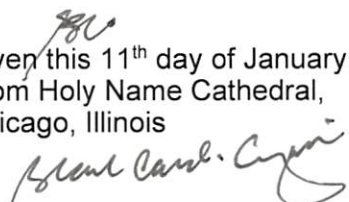

THEREFORE, know that I, Cardinal Blase J. Cupich, Archbishop of Chicago, according to the norms of the Code of Canon Law, convened the Presbyteral Council of the Archdiocese of Chicago electronically *via* the internet on October 14, 2021, and again at St. Giles Parish, Oak Park, Illinois, on November 9, 2021. Hearing the council's deliberations and the council's November 9th vote of 35 for and one against the proposal to relegate Santa Maria Addolorata Church of Blessed Maria Gabriella Parish to profane but not sordid use; invoking the Holy Spirit; satisfying myself that the good of souls will suffer no detriment, and that the parish church of St. Malachy at the St. Malachy + Precious Blood campus and Holy Innocents Church are sufficient for the needs of the faithful,

I decree the following:

1. Effective immediately, Santa Maria Addolorata Church of Blessed Maria Gabriella Parish, in the West Town and Near West Side neighborhoods of the City of Chicago, is relegated to profane but not sordid use;
2. Officials of the Archdiocese of Chicago, cooperating with the pastor of Blessed Maria Gabriella Parish will assure the real property associated with Santa Maria Addolorata Church is secure for the benefit of Blessed Maria Gabriella Parish;
3. If alienated, the alienation of Santa Maria Addolorata Church is to provide Blessed Maria Gabriella Parish the proceeds from sale of the real property or rental under lease;
4. When approved, the reports given to the Presbyteral Council on this matter, together with the minutes of the council meetings of October 14, 2021, and November 9, 2021, are to be attached to this decree and available upon request to eligible parties; and
5. Notification of this decree is to be made immediately through publication on the Archdiocesan Website. It is then to be sent to the Pastor of Blessed Maria Gabriella Parish for communication to parishioners through publication in the parish bulletin or other suitable means.

Before hierarchical recourse (appeal) may be taken against this decree, a written, signed, and dated petition to reconsider or amend the decree, must be sent or delivered to the Archbishop of Chicago within ten (10) useful days from notification of the decree (CIC cc. 1734, 1735, 1737). The address is Office of the Archbishop, Archdiocese of Chicago, 835 North Rush Street, Chicago, Illinois 60611.

Given this 11th day of January, A.D. 2022.
